### Contemporary Chinese Scholarship

#### About 'Pishu'

*Pishu* (皮书) (literally, 'cover-books') are high-value analytical reports, representing the best of contemporary Chinese scholarship in the social sciences from cultural to economic development.

Published by the prestigious Social Sciences Academic Press (SSAP), a branch of the Chinese Academy of Social Sciences, pishu contain comprehensive, hard-hitting analysis on issues important in China today, setting the tone for how China approaches issues or development.

- Contains exclusive research and analysis by the Chinese Academy of Social Sciences
- Used by China's policymakers, academics, and thought leaders in their respective fields
- Covers issues of social importance, thoroughly researched and presented
- Presents unbiased, concise, and timely analysis

#### Authoritative, Written by China's Leading Policymakers

Those who contribute, write, and edit pishu are leading experts and scholars from government agencies, national organizations, and renowned academic institutions. Pishu are written for the sake of research, with the intention to guide policymaking. Issues are comprehensively examined, and as such, are considered authoritative and objective.

## Using East View's China Economy, Public Policy and Security Database (EB-PISHU)

East View has aggregated all pishu volumes, from 1996 to present on its Universal Database ("UDB") platform, used in the leading academic and government institutions of North America, Europe, and Asia.

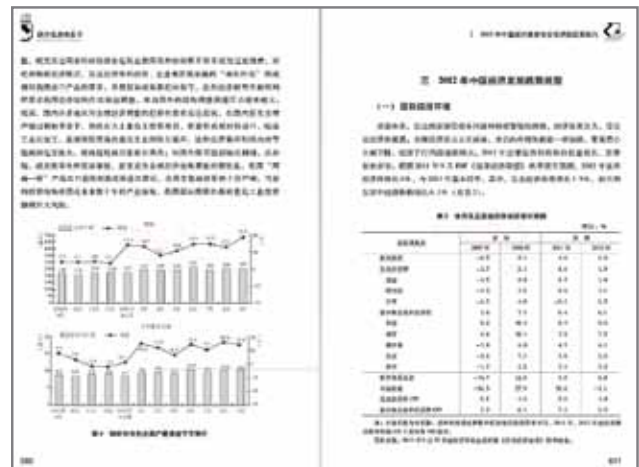

The UDB platform offers user interfaces in English, as well as Chinese and German, as well as usage statistics in the COUNTER format and secure hosting on East View's servers in the United States.

**EB-PISHU INCLUDES ARCHIVES AND CURRENT CONTENT:**

- The 1996-2012 archives contain over 1,000 volumes (approximately 28,000 articles and 405,000 pages of content)
- Approximately 120 new pishu are added annually
- The pishu are described with rich metadata in both English and Chinese
- Both the metadata, as well as the full text of this content is cross-searchable on the East View platform

## Learn More

Ask for a trial to the EB-PISHU database or inquire about pishu in print by email to [info@easview.com](mailto:info@easview.com) today! Vendor MARC records are free with database purchase. Standing orders for print are welcome.
