

East View Universal Database Publications from Central Asia and the Caucasus

Monitoring today's news in the countries of Central Asia and the Caucasus demands immediate access to a wide range of important publications. Researchers can now turn to East View as the rich value resource for extremely rare and influential publications from these regions.

The Universal Database of Publications from Central Asia and Caucasus (UDB-CAC) covers news, data on state structures, political, legislative, judicial systems, indicators on all sectors of economy and more from a number of authoritative periodicals published in the post-Soviet states of Central Asia and the Caucasus.

Some publications of note include:

- AP-Blitz, an information agency, offers its daily newswire, *Tajikistan News in Brief*
- *The Times of Central Asia*, a business weekly published in Bishkek (Kyrgyzstan).
- Journals covering critical analytical and statistical data on the economic dynamics of Uzbekistan society, published by the Center for Economic Research in Tashkent (Uzbekistan)
- *The Messenger*, an English language newspaper from Georgia

Languages

The sources are in Russian, English, Uzbek, and Tajik.

Searching capabilities

- Fluency in Russian is not mandatory: search in English, transliteration
