The screenshot shows a web interface for a newspaper article. At the top, there's a navigation bar with 'Contents' and 'Articles' tabs. Below is a table of contents with columns for '#', 'Article Title', 'Author', 'Date', 'Words', 'Pages', and 'Format'. The first article is titled 'Снежинки-Домодево' and the second is 'Клеши протестов не видать?'. A red arrow points to a PDF icon in the 'Format' column of the second article. Below the table, there's a preview of the article 'На Россию смотрят теплее' by Александр Рар. A second red arrow points to a PDF icon in the bottom right corner of the article preview. To the right of the screenshot, there are two callout boxes: one pointing to the top PDF icon saying 'Click on the pdf symbol to see the article in full-image.' and another pointing to the bottom PDF icon saying 'View by opening the pdf or full-text article.'
