

Apabi E-Books

Apabi e-Books encompasses all genres.

Apabi

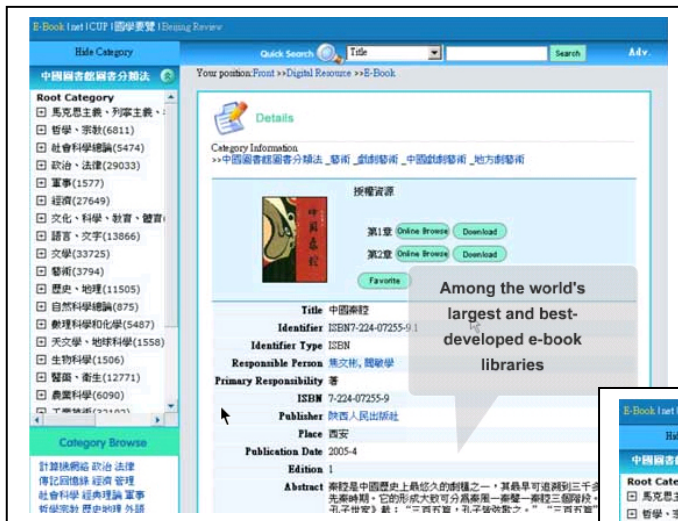

Beijing Founder Apabi is China's leader in digital publishing technology. To libraries worldwide, Apabi is best known as the premier source of e-Books from China and is presenting a growing array of innovative products for libraries.

In conjunction with nearly 500 publishing houses, the Apabi E-Books database is a constantly growing library of nearly half a million fullimage/full-text e-book titles. Though emphasis is on recently published works, holdings begin from 1949. Apabi E-Books is a fully robust e-Book platform that puts your library in control of usage policies. Titles can be browsed online by a number of simultaneous users, or checked out for download and offline use, and your e-Books library is customizable for your institution. Apabi E-Books are available individually or in sets, for purchase or by subscription. Take only the titles you need, and enjoy crosssearchability on a stable, best-in-class e-Book platform.
