

New from East View

Russia Direct Digital Archive 2013-2015

Russia Direct – A leading online destination for analysis of Russian foreign and domestic policy is now available from East View.

Founded in 2013, *Russia Direct* features original reporting as well as insight often missing from today's media landscape from a wide variety of experts from both Russia and around the world.

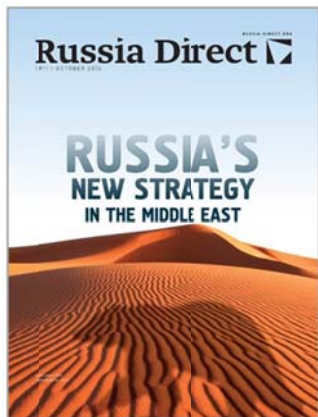

Published monthly, *Russia Direct* (ISSN 2412-8171) features reports from leading political figures, chief executives, academics and global affairs experts from Russia and abroad on the vital topics of world politics, international security, regional development, economy, successes and challenges of Russian politics.

Russia Direct also delivers intelligence on the people, trends, issues and challenges that are driving the global conversation about Russia.

Recent issues covered these topics:

- Re-thinking International Security after Ukraine
- The Asia-Pacific Military Buildup: Russia's Response
- From Brain Drain to Brain Gain
- Russian Energy Sector: Beyond Sanctions
- The Future of Russia's Innovation Economy
- Russia in America's Backyard
- Moscow's Strategy Against Financial Sanctions
- Russian-American Relations in Crisis: Lessons for 2015
- The Rise and Fall of US-Russian Counter-Terrorism Cooperation
- Decoding Social Transformations in Russia
- Frozen Conflicts in the Post-Soviet Space
- Russia's New Strategy in the Middle East

Subscribe to the publication that experts and senior decision makers rely on to learn and understand Russia's relationship with the world and the US in particular.
