## OVERVIEW AND BACKGROUND

The sixth census in Guyana since its first post-war census in 1946 was part of the regionally coordinated round of censuses under the CARICOM Secretariat. The Guyana Bureau of Statistics received assistance from Statistics Sweden, the United Nations Statistical Division, the UNFPA, the United Nations Development Programme and the United Nations Volunteer Programme in Guyana. 751,223 persons were enumerated, an increase by about 27,500 persons from 1991.
