

# Belarusian National Bibliography (UDB-BIB-BEL)

## Comprehensive bibliographic database for printed works in Belarus

The Belarusian National Bibliography (UDB-BIB-BEL) collection encompasses a wealth of bibliographic content meticulously curated from nine distinguished indexes published by the Book Chamber of Belarus.

Designed for full-text, full-image access in PDF format, chapter by chapter, the Belarusian National Bibliography features an interface in English, with content primarily in Russian and Belarusian. With some resources dating back to 1991, the collection provides insight into a critical era in Belarusian publication history, with indexes covering a wide variety of publications including books, dissertations, periodicals, maps, music, and more.
