

Kommersant Digital Archive

Founded in 1989 by Russian businessman and journalist Vladimir Yakovlev on the eve of the dissolution of the Soviet Union, *Kommersant* (Коммерсантъ, The Businessman) is one of the most influential and important newspapers to have emerged in post-Soviet Russia. The economic liberalization of the Gorbachev-era *perestroika* and *glasnost* reforms had created a need for media outlets dedicated to reporting on the new economic situation in the country and the emergence of the new entrepreneurial class. The establishment of *Kommersant*, modeled largely after *The Wall Street Journal* and the *Financial Times*, was meant to meet just such a need.

Published initially as a weekly, its proven quality and growing popularity occasioned the expansion of the publication and the changing of its format from a weekly to a daily. Soon it would also change ownership, being owned at various times by Russian oligarchs Roman Berezovsky, Badri Patarkatsishvili, and its current owner Alisher Usmanov. Despite the slew of controversial ownerships, and several instances of editorial interference by its owners, *Kommersant* remains one of the most trustworthy Russian newspapers.

Key Stats

- **Archive:** 1992-2023
- **Language:** Russian
- **City:** Moscow
- **Country:** Russia
- **Frequency:** Daily
- **Format:** PDF, page-based
- **Producer:** East View Information Services
- **Platform:** East View Universal Database and Global Press Archive

About the Archive

The Kommersant Digital Archive includes all obtainable issues published since 1992 and represents the most complete collection available for this title. The archive features full page-level digitization, complete original graphics, and searchable text, and is cross-searchable with numerous other East View digital resources.

The Kommersant Digital Archive is a part of the East View Global Press Archive® (GPA), a groundbreaking program from East View Information Services to create the most comprehensive collection of digital news sources from around the world. GPA is the result of a landmark initiative of Stanford Libraries and the Hoover Institution Library & Archives to digitally preserve and make more accessible thousands of original print newspaper publications collected by the Hoover Institution and now housed by Stanford Libraries.
