

# Narodna Hazeta Digital Archive

Published in Kyiv from 1990-2009, *Narodna hazeta* (Народна газета, People's Newspaper) was a continuation of the short-lived *Rukh* (1989-1990), with the motto "For the unity of national-democratic forces." This Ukrainian-language publication was pro-independence, anti-communist, and provided detailed coverage of the lead-up to the first democratic elections held in the Ukrainian SSR. It ceased publication in 2009 due to bankruptcy.

## About the Archive

The Narodna Hazeta Digital Archive includes all obtainable issues published from 1990 to 2009 and represents the most complete collection available for this title. The archive features full page-level digitization, complete original graphics, and searchable text, and is cross-searchable with numerous other East View digital resources.

The Narodna Hazeta Digital Archive is a part of the East View Global Press Archive® (GPA), a groundbreaking program from East View Information Services to create the most comprehensive collection of digital news sources from around the world. GPA is the result of a landmark initiative of Stanford Libraries and the Hoover Institution Library & Archives to digitally preserve and make more accessible thousands of original print newspaper publications collected by the Hoover Institution and now housed by Stanford Libraries.
